Director's Message

Kateel Ashok Pai Memorial College was established by Manasa Trust in 2017 to fulfill the long cherished dream of Late. Dr. K.A. Ashok Pai, the founder of Manasa Institutions. His vision was that of college which would blend high quality academics with holistic development of the students as responsible individuals who would hone up the necessary skills to cope with a fast changing world. I am happy to place on record that in a space of just a few years this college has made impressive strides towards realizing the vision. A young, multitalented faculty dedicated to teaching, an ambience of freedom and creativity and the able leadership of Dr. Sandhya Kaveri K., the principal, have made the college a place for joyful learning. It offers facilities such as library, film club, social sciences club, theatrical activities, sports, science club and social work. Leading scholars, writers, media persons, journalists, psychologists have visited the college to keep it intellectually vibrant.

I welcome students to join us in the journey towards holistic education.

Dr. Rajani A. Pai
Manasa Trust (R.)

Principal's Message

Dear aspirant, Let me welcome you to the family of KAPMI.

'Knowledge is Power' – though an old adage, is true for all times. Knowledge has no barriers and is open for anyone who has deep dedication and involvement.

Though our college is a few year old child, it has already created ripples in the academic community. KAPMI is certainly "not one more" college. We have the great ambition of creating a responsible and healthy society through quality education. Hence, teaching or imparting values is not a mechanical activity, but a passion. 'Youth is the salt of the nation' opines Mahatma Gandhi. Kuvempu also rightly said, 'Students should not be made sack bags to fill the chaff, but should be made fertile land to grow crops'. With such high ideals, Manasa Trust and the College are all set to bring a positive change to its students.

Late. Dr. K A Ashok Pai was a man of multiple interests. Apart from being a psychiatrist, film maker, writer, he was also an educationist. The college established in his name, has the same comprehensive approach.

I, on behalf of the Trust and the College, welcome you to this family of KAPMI.

Good Luck!

Dr. Sandhya Kaveri. K.
Principal

I have fond memories of my time at KAPMIAHS. The rigorous coursework included clinical exposure, in-depth syllabus, research work, case presentations, seminar presentations and engaging professors have really helped me gain knowledge and skill necessary for the clinical psychology field. Along with academics the community extension activities, psycho-education through street plays, seminars and workshops and extra-curricular activities have helped me explore my creativity and practical application of the theory knowledge into the real world set up. KAPMIAHS is a dynamic organization which has a wide range of network with eminent institutions and personalities in the field of psychology, the workshops and internship opportunities provided had challenged me to expand my knowledge and perspectives. Moreover, the sense of community and support I received from my peers and mentors left a lasting impact on my personal and professional growth.

- **Ananya S.M.**, M.Sc. Clinical Psychology

My journey at KAPMI was wonderful. The college provided a great opportunity in the field of clinical psychology. The exposure received from the hospital was intense. It enhanced my skills in the clinical setup. The experienced faculties trained us in all the subject matters as well as in clinical practical skills. The institute had organized various workshops, awareness programs and conferences which helped in great terms.

- **Harshita D.**, M.Sc. Clinical Psychology

KAPMIAHS assisted me in building a solid and ideal basis for the challenging real world. I entirely credit my training for the fact that I now have the confidence to handle cases as a practising psychologist. I value hands-on education, and my institution has always been successful in providing that for me. Leading clinical psychologists helped us comprehend the theoretical facets of the profession and provided us with individualised instruction to learn therapy. We have also got the chance to learn from many esteemed institutes. The college is welcoming and supportive of students' growth and learning. We've had the chance to work on research papers, build tools, and learn about yoga's potential as an integrated therapy. The teachers always agree to teach, are friendly and helpful, and make you feel at home. An additional element that exposed us to the realism and job of psychiatry was our daily exposure to Manasa Nursing Home, which has the second-highest patient flow in Karnataka. I'm happy to call myself an alum and recommend the course to any undergraduates planning to pursue a Masters in Clinical Psychology.

- **Rakshatha J.**, M.Sc. Clinical Psychology

As an alumna of my college, I have many positive memories and experiences to look back on. One of the things I appreciated most was the quality of the education I received. The professors were knowledgeable and passionate about their subjects, and they challenged me to think critically and develop my own ideas. Outside of the classroom, I had many opportunities to get involved in extracurricular activities and make connections with other students. Overall, I am grateful for the time I spent at my college and the experiences that have shaped who I am today. I would recommend it to anyone looking for a supportive and intellectually stimulating environment to pursue their education.

- **Vinay R.**, M.Sc. Psychology

Alumni's speak...

- Radhika S. Joshi, B.A.

When I reminisce about my three years of college life in Kateel Ashok Pai Memorial College, I see the transferable set of competencies that got build up over a period of time in me. I would like to talk about the skills and mindsets that helped me to raise the bar of excellence. And when I hark back to my journey of three years I think skills like strategic planning, optimism. coaching, managing self and time got developed at

grass root level that certainly played a vital role in graduation. Throughout the journey I have learned a lot. It provided me with some great opportunities which helped me improve myself in every aspect as a student.

"We don't grow when things are easy, we grow when we face challenges." I resonate completely with this adage, those three years were challenging but facing challenges became easy because of KAPMC they escalated me on the learning curve and led to my personal development. The infrastructure of the college is fabulous, Library is also well maintained with many kind of books as well as journals, the computer lab is also excellent. KAPMC helps students in many ways to reach the greatest heights. To sum up I had a great experience in KAPMC.

- Tejaswini M.S. B.A.

I have done my BSW at Kateel Ashok Pai Memorial College. I secured second rank at the university. KAPMC gave me all the opportunities to use my talents. I feel immensely happy that we conducted a four day workshop on skill enhancement for the under graduate student of KAPMI. It will ever remain as a memorable experience with us. The attitude and commitment of the management, the Principal and faculty members as well as the students is commendable. "KAPMI" is a nurturing ground for excellence in its true sense. We all felt and positively sensed the social commitment of all the members concerned. Let all your dreams, which I firmly believe, are the dreams of late Dr. Ashok Pai, come true in the course of time and I'm sure your students will touch the height of excellence. Alumni say...

KAPMC is a place where I found myself. This college gives us every possible opportunity to develop ourselves into a fruitful human being in the society. I'm so glad to be a part of this college. Here I learnt many things like communication, knowledge enhancement, importance of education, how to utilize the opportunities and networking. The lectures of our college are so motivational and supportive. The system of mentoring the students is the best part of our college to know our pros and cons. KAPMC believes that every student is unique. Here impossible things will be possible with the support of everyone from the college. The overall development of the student is mainly concentrated along, with academics. There are competitive classes, english communicative classes, public orations, book club, cultural club, film club, NSS, attending national and international seminars and conferences which gives us another mode of learning. Finally I very much adore our college for nurturing us into humane individuals in the service of society.

- Sowjanya A.

I came into KAPMC with the idea of getting some graduation degree. But when I joined our college my thought changed. I experienced that degree is not only to have a certificate but also to possess some skills and knowledge. This type of environment was facilitated by our college which helps the student to learn new things. In our college there are some unique features like organizing exhibitions, participating in different cultural activities drama, conferences, seminars, inter college fests, NSS camps, enacting drama and street play to create awareness in the public, etc. which brings out the best from us. All these activities help us to develop interest in different kind of learnings besides the academics. I'm so proud to be a part of this institution, specially for being in the first batch.

- Rudramani

When I thought about changing my stream of study from science to arts after PU I opted this college. I had doubts and fear regarding arts combination and also facilities and Opportunities provided by this institution. But this institution has given much more than my expectations. It gave a unique experience with the best education facilities along with the opportunities for the most interesting and knowledgeable educational fests, national and international seminars, workshops, etc.. It gives the best platforms for the expression and enhancement of our talents and hobbies. More than that, this institution gives the feeling of being with a family. KAPMC is the best example for those who are going to prove that arts and social works team can give the most blissful life experiences of our lives.

"I'm passionate about people and I want to support them through challenging situations in a practical way – that's what led me to social work. I chose the Bachelor of Social Work at Kateel Ashok Pai Memorial Institute because I knew it would give me a foundation around bicultural social work..”The programme has taught me so much, professionally and personally. It opens up many pathways beyond traditional social work, such as community work, probations, youth work and research. I've enjoyed working alongside the same cohort throughout the degree, and my classmates have been a really great support system.

ಕಟೀಲ್ ಅಶೋಕ್ ಪೈ ಸ್ಮಾರಕ ವಿದ್ಯಾ ಸಂಸ್ಥೆ ಹಲವಾರು ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ದಾರಿ ತೋರಿರುವ ವಿದ್ಯಾ ಸಂಸ್ಥೆ ಆ ವಿದ್ಯಾರ್ಥಿಗಳಲ್ಲಿ ನಾನೂ ಒಬ್ಬ. ಇಲ್ಲಿ ನಿಗದಿತ ಪಠ್ಯ ಹೊರತು ಪಡಿಸಿ ವಿದ್ಯಾರ್ಥಿಯ ಸರ್ವತೋಮುಖ ಬೆಳವಣಿಗೆಯ ಬಗ್ಗೆ ಕೇಂದ್ರೀಕರಿಸುವ ವಿಶೇಷ ಶಿಕ್ಷಣ ಪರಿಕಲ್ಪನೆ ಹಾಗೂ ಮಾನವೀಯ ಮೌಲ್ಯಗಳನ್ನು ಹಾಗೂ ಪರಾನ್ವುಭೂತಿಯನ್ನು ಬೋಧಕರ ನಡವಳಿಕೆಯಲ್ಲಿಯೇ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ತೋರ್ಪಡಿಸುವ ಶಿಕ್ಷಕ ವೃಂದ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಮಾದರಿಯೆನಿಸುವಂತಿತ್ತು.

ಐಚ್ಛಿಕ ಇಂಗ್ಲಿಷ್ ವಿಭಾಗದ ಹಿರಿಯ ಉಪನ್ಯಾಸಕರು ಪಾಠ ಮಾಡುತ್ತಲೇ ನಮ್ಮಂತ ವಿದ್ಯಾರ್ಥಿಗಳನ್ನು ಕಲ್ಪನಾ ಲೋಕಕ್ಕೆ ಕರೆದುಕೊಂಡು ಅಲ್ಲೇ ಪಾಠದಲ್ಲಿ ಬರುವ ದೃಶ್ಯದ ಭಾಗದ ಪ್ರತ್ಯಕ್ಷ ಸಾಕ್ಷಿಗಳು ಕೇಳುಗರಾದ ನಾವುಗಳೇ ಎಂಬಂತೆ ಪಾಠಗಳನ್ನು ಚಿತ್ರಿಸಿ ಕೊಡುತ್ತಿದ್ದರು.

ಒಮ್ಮೆ ರಾಜೇಂದ್ರ ಚೆನ್ನಿ ಸರ್ ನಮ್ಮ ಕಾಲೇಜಿನ ಮನಶಾಸ್ತ್ರ ವಿಭಾಗದ ಬಗ್ಗೆ ಹೇಳುತ್ತಾ ದೇಶದ ಬೇರೆ ಮನಶಾಸ್ತ್ರ ವಿಭಾಗದ ಒಂದು ತಿಂಗಳ ಪಾಠ ಕೇಳುವುದು ನಮ್ಮ ಕಾಲೇಜಿನ ಒಂದು ಗಂಟೆ ಮನಶಾಸ್ತ್ರ ಬಗೆಗಿನ ಪಾಠವನ್ನು ಕೇಳುವುದಕ್ಕೆ ಸಮ ಎಂದು ನಮ್ಮ ಕಾಲೇಜಿನ ಮನಶಾಸ್ತ್ರ ವಿಭಾಗದ ಶಿಕ್ಷಣದ ಗುಣಮಟ್ಟ ಏನೇಂಬುದನ್ನು ವಿವರಿಸಿದ್ದರು ನಾಟಕ, ಸಂಗೀತ, ಮಾತುಗಾರಿಕೆ, ಬರವಣಿಗೆ ಕೌಶಲ್ಯರಾಷ್ಟ್ರೀಯ ವಿಚಾರ ಸಂಕರಣದ ಅನುಭವ, ಪ್ರಖ್ಯಾತ ಸಾಹಿತಿಗಳ ಒಡನಾಟ, ಎನ್.ಎಸ್.ಎಸ್ ಕ್ಯಾಂಪ್, ಹಲವಾರು ವಿವಿಧ ಕಾಲೇಜುಗಳಿಗೆ ಸ್ಪರ್ಧೆಯ ಕಾರಣಕ್ಕಾಗಿ ಭೇಟಿ, ಹತ್ತಾರು ಸರ್ಟಿಫಿಕೇಟ್ ಹೀಗೆ ಹಲವಾರು ಚಟುವಟಿಕೆಗಳು ನಮ್ಮಂತ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಸಮಾಜದಲ್ಲಿ ಒಳ್ಳೆಯ ಪ್ರಜೆಗಳಾಗಿ ರೂಪುಗೊಳ್ಳಲು ಸಹಾಯ ಮಾಡುವಂತಿತ್ತು.

ಇನ್ನೊಂದು ಹೇಳಲೇ ಬೇಕಾದ ವಿಷಯ ಇಲ್ಲಿ ಕಲಿತ ವಿದ್ಯಾರ್ಥಿಗಳು ನಂತರದ ದಿನದಲ್ಲಿ ಬೇರೆ ಕಾಲೇಜುಗಳಲ್ಲಿ ಸಂಪೂರ್ಣವಾಗಿ ತಮ್ಮ ವಿಚಾರ ವಿನಿಯೋಗವನ್ನು, ತಮ್ಮ ಕೌಶಲ್ಯವನ್ನು ಇಲ್ಲಿ ತೋರ್ಪಡಿಸಿದ ರೀತಿಯಲ್ಲಿ ತೋರ್ಪಡಿಸುವುದು ಕಷ್ಟಕರ ಯಾಕೆಂದರೆ ಅಶೋಕ್ ಪೈ ಕಾಲೇಜು ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಯಾವಾಗಲೂ ಹೊಸ ಆಲೋಚನೆಯ ಹೊಸ ಸೃಜನಶೀಲತೆಯ ಬಗ್ಗೆ ಮತ್ತು ಅಂಕದ ಹೊರತಾಗಿಯೂ ಭಾಗವಹಿಸುವಿಕೆಯ ಕಡೆಗೆ ಒಲವನ್ನು ತೋರುತ್ತದೆ.

ಕೊನೆಯದಾಗಿ ನಾನು ಓದಿದ ಕಾಲೇಜು ಕಾವ್ಯಾತ್ಮಕವಾಗಿ ಹೇಳುವುದಾದರೆ KAPMI ಎನ್ನುವುದು

Ka ನಸಿನ ಕನ್ನಡಿಯ ಆಲಯ

Aಕ್ಷರ ಅರಿವಿನ ವಿದ್ಯಾಲಯ

This has been our second home since 5 years. In my college the teaching staff have been great. They are very friendly in nature and help the students to achieve one's goals. Our principal is most caring and affectionate towards students and she helps the student to understand his capabilities to maximum level. She encourages us to be more productive and good at learning. Our campus is small in size but it's been amazing to spend three years inside this beautiful campus. I am lucky to be guided by our caring and friendly principal & faculty members.

I remember the day when I took admission to this college. I was not bold enough to represent myself. But this college supported me and made me to walk on my feet confidently. The teachers of KAPMI not only teach us but also they inculcate the moral values in us which is more necessary in today's world. The college also organises many national level conferences to help the students and also here we can get competitive exam coaching and spoken english courses which are very necessary in modern world. The staff is also very friendly and supportive which helped me to grow in a better way.
